Fall 2017 GRADE 7 & 8 LOCKER POLICY

In order to maintain a safe and positive school environment, we ask that all students and guardians review and discuss together the following rules and regulations pertaining to the use of lockers during the school day:

All lockers on the school premises are the property of the school. These lockers are made available for use in storing school supplies and personal items necessary for use at school. Lockers shall not be used to store items which cause, or can reasonably be foreseen to cause an interference with school purposes or an educational function, or which are forbidden by state law or school rules. The use of the locker does not diminish the school's ownership or control of the locker. The school retains the right to inspect the locker and its contents to ensure that the locker is being used in accordance with its intended purpose, and to eliminate fire or other hazards, maintain sanitary conditions, attempt to locate lost or stolen material and to prevent use of the locker to store prohibited and/or dangerous materials.

Please refer to **Regulation of the Chancellor A-432.**) It sets forth the standards and procedures by which lockers may be searched. <http://schools.nyc.gov/NR/ronlyres/FE6896D5-CE74-43BB-B988-7836924166B2/0/A432.pdf>
